**Subject:** Warrant Arrest Amnesty Period & Warrant Service Surge

Jim,

Per our earlier discussion, I propose to do a Municipal Court Warrant surge in an effort to collect outstanding Fine amounts owed to the Court beginning with an advertisement in the official city newspaper on 10-30-2014. We will advertise that there will be an **arrest** amnesty period from 10-30 and lasting until 11-10 @ 5pm to pay off owed warrant amounts **without arrest**. After which a directed and concerted effort by all patrol shifts to serve unpaid warrants will take place during **all times of the day and night**. Unpaid offenders risk arrest at home, work or school should they fail to take advantage of the **arrest** amnesty period.
